TO: ① Mike O'Toole	FROM: Joe Dragan Illinois Attorney 312/793-2543 or 2512 General	DATE: 9/28/83		
SUBJECT: Cyanide Chips		TIME: 11:00 AM		

DETAILS OF COMMUNICATION

Delbert Haaschmeyer asked Joe to call me to clue me in on the IAG's effects on the Cyanide chips.

Joe said that contractors are submitting estimates for cleanup but Del has been indicating to the contractors that he will not be awarding a contract. Joe also told me that ~~the~~ Film Recovery has removed all equipment from their Clik Grove warehouse current events? ~~The~~ The MSD was at the

McCook & Summit sites on September 20, 1983. They collected water samples (storm sewer & drainage ditch) CN<sup>-</sup> was found in both (McCook 15.2 ppm &

Summit 1.03 ppm) MSD cited the two landowners for an illegal discharge. The landowners, Icari, IAG etc., met with judge 9/27/83. Judge required IEPA to take action to remedy the situation by October 5, 1983 (the next meeting with the judge)

- ②) phone call from Del Haaschmeyer - IEPA. Del had spoken with Joe after I had. He called to reiterate the 9/27/83 meeting w/ judge. He asked about an ~~immediate~~ immediate action. I told him that it was possible but I would have to get back to him

- ③) Phone Jerry Regan Environmental Services Division. Jerry said he would have TAT make an inspection on 9/29/83. He also said he would call Haaschmeyer and tell him the news
